Smt.Chandra Kala vs. State of Rajasthan & Anr.

27.8.2007

HON'BLE MR.JUSTICE G.S.SARRAF

Mr.Govind Chaudhary for petitioner.
Mr. Ashwani Kumar Sharma for respondent.

The impugned judgment is dated 19.8.2004. As per the application filed under Section 5 of the Limitation Act by the petitioner, she learnt about this order on 7.4.2005 but the revision petition has been filed on 16.8.2006. In the application for condonation of delay, the petitioner has mentioned that she could not come in the months of June and July because of rainy season but she has not mentioned as to why she could not come in the second half of April, May and first half of August. The explanation furnished by the petitioner is not satisfactory. Therefore, the application under Section 5 of the Limitation Act is rejected and the revision petition is also dismissed as time barred.
